BOOTH Information:

- ▶ Booth locations will be selected by lottery draw by the committee. If you have any specific requests i.e. shade, corner booth, electricity etc. please let us know on the application form. We will try our best to accommodate, with no promises.
- ▶ Bring your own tables, chairs, and self-standing canopy. Canopies are mandatory. **You**, the artist, are expected to be in your booth for the duration of the event. Booth sizes are 10 x 10 ft.
- ▶ **No spikes:** there are underground sprinklers in the park so we can't allow spikes or pegs into the ground. We have successfully lashed tents to each other, used buckets of water or other heavy items. If you have concerns, please contact us.
- ▶ Sharing is permitted, with no more than two vendors per booth, however both vendors must successfully go through the jurying process separately.
- ▶ As with any downtown venue, parking is a challenge. In order to leave as much room as possible for your customers, we will require that **you must park in one of several nearby vendor parking lots.**
