## Vendor Application Information Sheet

Thank you so very much for your interest in Art in the Park Petrolia 2017. We have proudly built a reputation for looking after our vendors; for offering our visitors high quality and diversity; and having lots and lots of fun.

**Location:** Victoria Park, downtown Petrolia, Ontario (on Petrolia Line between Greenfield and Wingfield streets.)

We are a juried event with quotas which means that once accepted by the jurying committee a quota is applied to limit the number of vendors in each division i.e. jewelry, wood working, fabric art, photography etc. All artists are juried every year and no artist is automatically accepted based on previous attendance.

### **Deadlines:**

We will accept applications up until **April 20th, 2017**; they will be juried approximately April 24th, and we will continue to select until we are full. The jurying process is designed to be fair and offer our visitors diversity and quality.

**Applications will still be accepted after this date only as space allows in your category. A wait list will be created and maintained until the event start.**

**Applications: Please note that your application is not complete until we have received your application, cheque, and your jurying submission.**
